Dear Eagles,

As we come to the end of another remarkable academic year, I would like to take this opportunity to extend my heartfelt gratitude to each and every one of you.

To our incredible students, I commend you for your diligence, enthusiasm, and eagerness to learn. Continue to thirst for knowledge so that you may illuminate our classrooms with your unwavering curiosity and bring joy to our hearts.

To our graduating students, as you prepare to embark upon a new chapter in your educational journey, always remember the values and teachings that have shaped you during your time with us. Carry the light of faith, the pursuit of knowledge, and the spirit of service with you wherever you go.

To our parents, thank you for entrusting us with the education and spiritual formation of your children. Your partnership, support, and involvement have been instrumental in creating a nurturing and empowering environment for our students.

To our exceptional staff - your dedication, creativity, and passion for education have made a lasting impact on the lives of our students. You have gone above and beyond to ensure that our classrooms are places of inspiration, where knowledge is shared, and faith is nurtured. Your unwavering commitment to our school community is truly commendable, and I am grateful for the invaluable contributions each of you has made.

As we bid farewell to another academic year, let us take a moment to reflect on the blessings we have received and the challenges we have overcome. May we carry the lessons learned and the memories made in our hearts as we embark upon the well-deserved summer break. I encourage all of you to take this time to rest, rejuvenate, and connect with loved ones. May God bless each of you abundantly during the summer months. I look forward to seeing you in August!

Introducing Mr. Braden Nagel - IHM's 4th grade teacher 2023-2024

Hello, IHM! I am so excited and delighted to be joining the Immaculate Heart of Mary School family. The mission and the philosophy of the school are aligned with my values and vision of what a place of education should be. I look forward to meeting and connecting with the community and learning all about what makes this school special!

With that, I have 23 years of experience as an educator. The majority of those years have been spent teaching 4th graders. Though I've taught other grades in elementary, along with teaching high school students, I feel most at home in 4th grade. Born in Minnesota, I am a lifelong Minnesota Vikings fan! In my free time, I enjoy writing, reading, and going on new adventures with my wife.
